

Children make

a difference

Discussion

1 Growing up can be hard. Is there an age you didn't enjoy?

2 What is your earliest memory? How old were you? Why do you remember that moment?

3 Is a person's age important in your culture? How is it important?

4 What does a person's age tell us? What do we know about a sixty-year-old that's different from a thirty-year-old?

5 Do you worry about getting older?

6 Do you agree that you can never be too old to start something new?

7 Can age change your perspective on the world?

8 Our tastes in many areas change as we get older. What did you like before that you don't like now? What did you dislike before but now enjoy?
